

Kiwisport

Kiwisport is a government funding initiative to support student's participation in organised sport. In 2020, the College received Kiwi-sport funding of \$10049.72 (excluding GST). The funding was spent on helping to pay the wages of our Sports Co-ordinator's whose main emphasis is to encourage students to participate in sport. This is monitored by ensuring that the participation rate is maintained as high as possible. The rate sadly decreased to 68%, ie a decrease of 3% from 2019, this was due to Covid -19. We are 20% higher than the national average though 😊
